

NLB Can aI Help you script

AUDIO (Dialogue / SFX / Music)	VISUAL	NOTES
Upbeat, quirky music starts	Fast cuts of everyday Singapore life, eg MRT, home kitchen, convenience store, library	Energetic, relatable, quick pacing
Person A: “Eh honestly... AI actually useful or not?”	Two friends chatting casually at home	Natural, conversational
Friend: “I also don’t know leh... feels confusing”	Shrugs, scrolling phone	
GLITCH / POP SFX	Screen freezes slightly, UI distortion creeps in	Transition cue
AIDEN (energetic): “Why guess... when you can try?”	Animated Aiden pops into frame	Establish guide
WHOOSH TRANSITION	Environment transforms into Good Help Mart	Signature visual shift
AIDEN: “Welcome. Let’s start simple... make a smoothie.”	Main console appears with ChatGPT interface	Matches real exhibit
Person A: “Just... ‘make me a smoothie’?”	Types lazily into screen	
ChatGPT reply appears	Basic, generic smoothie result	
AIDEN: “Can be better! Try adding more detail.”	Checklist UI appears beside	Introduce structure
UI highlights: “Task... Context... Requirements... Format...”	Each category lights up as user adds input	Direct learning objective
Fruits and liquids begin bouncing into blending zone	Playful MGFX builds energy	Mirrors exhibit mechanics

Person A: “Ohhh wait... can customise one ah?”	Engaged reaction	
Blender spins up	Visual payoff moment	
ChatGPT: “Smoothie complete! Blending now...”	Smoothie appears with AI-generated name + description	
Friend: “Wah got name somemore??”	Laughs, impressed	Human reaction
AIDEN: “Better prompt... better result.”	Smoothie showcased	Key takeaway
WHOOSH TRANSITION	Shift within Mart to product aisle	Maintain flow
Person B: “Eh what is this snack?”	Picks up item with foreign language label	
AIDEN: “Scan it.”	Camera overlay activates	
SFX: SCAN	Text translates instantly on screen	Demonstrate Google Translate
Person B: “Ohhh spicy one!”	Reaction	
AIDEN: “Now find three spicy items.”	Challenge UI pops up with timer	Gamified interaction
Friend: “This one confirm spicy bro”	Grabs item confidently	Fun banter
Quick cuts of searching	Items being scanned rapidly	Build pace
PHONE BUZZ SFX	Notification interrupts	Transition cue
Person C: “Eh my crush replied...”	Panic expression, holding phone	Relatable moment
Friend: “Reply what?? QUICK”	Leaning in	
AIDEN: “Need help?”	Pops up beside phone	

AI-generated replies appear	Multiple message options	
Person C: “This one too try hard lah...”	Rejects suggestion	Show limitation
Friend: “This one better. More you.”	Points to another	Human judgement
AIDEN: “AI helps... but you decide.”	Subtle shift in tone	Important message
AIDEN: “Ready to bring your skills home?”	Bright checkout interface appears	
AIDEN (VO): “Prompt it. Test it. Question it.”	Visuals sync to each word	Strong rhythm
AIDEN (VO): “Discover how AI can help you...”	All characters gathered in shared space	
Beat	Everyone looks at each other	
ALL (playful, overlapping): “Don’t just ask. Try it.”	Slight stagger for natural feel	Strong CTA
LOGO: GOOD HELP MART	Clean branded end frame	
Super: “National Library, June”	Location + timing	
Super (optional): “Can AI help you?”	Campaign tie-in
